Essentials for Students. Essentials is designed to give students the “essentials” to knowing and growing with Christ and building relationships with other students and adults. Essentials meets Sunday mornings from 11:00 to 12:15 in the south end of the gym.

Small groups get rolling August 8th. Bob & Judy Jones will lead the middle school group at their home, and Danny & Beth will lead the high school small group at their home. They run from 6:00 to 8:00 on Sunday nights. Small groups are great for maturity, connecting, accountability and building lasting friendships!

Graffiti gets rolling August 18th. We meet in the west building each Wednesday night during the school year. Graffiti is great for students with questions, students seeking, awesome food, and a great place to hang with some awesome adults!
